To All Community Partners Working with Children and Youth:

On behalf of the employees, management and Board of Directors with Northwest Alberta Child and Family Services Authority (CFSA), I would like to invite a representative from your organization to attend our upcoming CFSA Community Agency Information Session.

This session is being held on Monday, March 16, 2009, at the Grande Prairie Provincial Building and will take place between 1:00 p.m. and 3:00 p.m. The purpose of this session is to review the current mandates and governing acts that our region works within and also to discuss the values in which we operate.

In addition, we will discuss the current strategic priorities that Northwest Alberta CFSA has for the region and some of our core business and service delivery matters. Northwest Alberta CFSA Chief Executive Officer, Carole Anne Patenaude, will present on these topics and then will take questions and discuss any additional matters.

This Community Agency Information Session is open to all Grande Prairie and area agencies who work with children and youth.

Please RSVP by contacting me at (780) 538-5475 or by e-mail at trevor.davis@gov.ab.ca *no later than 4:30 p.m. on Thursday, March 12, 2009*, to confirm your attendance at this session. As the date approaches, a room within the Provincial Building will be determined to ensure adequate size to accommodate all of our attendees.

We look forward to seeing you there!

Yours truly,

Trevor Davis
Regional Manager, Communications
